

Inspire, Challenge, Learn
Dear Families,

Welcome back! Despite the very unpredictable weather it is so lovely to have the children back at school and learning.

They've been brimming with enthusiasm and are so quick to share their holiday experiences with both their friends and with the PHP team.

Everyone did their best to keep school open this week. The children love seeing the snow and love playing in it with their friends even more! Unfortunately, with the amber weather warning, conditions were too unsafe to open today. Work was set via Class Dojo and not only was it a pleasure to see so much of it submitted and commented on, but it was great to see the children trying so hard when it's such an unexpected change to the week.

The forecast for next week is far warmer so we're expecting school to be open as usual. Please still ensure your child comes to school with warm, named clothes so they can be comfortable when learning and playing.

I'd like to remind you all that the car park is for staff only, unless you have a permit. It fills up very quickly and it makes it difficult to fit the cars in and keep the emergency entrance clear if we have extra, unexpected cars there.

I hope all of you have a wonderful weekend. I'm looking forward to seeing everyone again on Monday morning.

Kind Regards,
Mrs. Kelly Vaughan

Our Year 4 children have been looking at setting descriptions in their English lessons and are planning on writing their own based on their class novel The Wild Robot. To uplevel their writing, they want to include similes and metaphors. This week they have been working on understanding their features. Here is work from Sukhjaap and Eias.

Our Year 5 children have been looking at Beowulf and making predictions of what might happen.
